

2010 Ranch Breeding Requirements

We appreciate your business and want your breeding experience at Babcock Ranch to be a good one. For the safety and health of your mare, and all the mares at Babcock Ranch, we require the following BEFORE your mare arrives for breeding. Please review our requirements and contact us if you have any questions.

PRIOR TO ARRIVAL:

- * Signed Breeding Contract to Babcock Ranch with a copy of the mare's registration papers.
- * Book Fee paid in full.
- * Notify Babcock Ranch at LEAST 24 hours PRIOR to arrival with the date and time of arrival as well as the breeding stallion, hauler's name and phone number.
- * The following vaccinations must be administered by a veterinarian within 30 days of arrival.
Eastern / Western Encephalitis, Tetanus, Flu, Rhino, West Nile, and Strangles
- * We require a current Coggins within 6 months of arrival.

THINGS YOU MUST HAVE THE DAY YOUR MARE ARRIVES:

- * Balance of Stud Fee and all outstanding account balances / ET Fees paid in full
- * Health Certificate
- * Copy of Mare's Registration Papers
- * Legible copy of Coggins (see above for date requirements)
- * **Veterinarian's Certificate of vaccination history (see above for required vaccinations and dates) If you cannot provide proper documentation of vaccination history, we will vaccinate, at owner's expense, upon arrival when the mare gets out of the trailer, NO EXCEPTIONS.**

If your mare is in foal;

Sire of foal and last breeding date

If your mare is a wet mare;

Sire of foal, foaling date, and all relevant foal medical history

- * Your mare will be de-wormed upon arrival at Babcock Ranch.
