BABCOCK RANCH : IMPORTANT OPERATIONS UPDATE

First and foremost in the operations at Babcock Ranch are CDC guidelines and other restrictions that are designed to keep individuals safe and healthy. The Babcock Ranch team is complying with these policies throughout public buildings and areas in Babcock Ranch, including the following protocols:

- Employees, residents and guests are required to wear face coverings in the Discovery Center. The building remains locked, and appointments are encouraged.
- Employees, residents and guests are required to wear face coverings inside the Hatchery and the Hive.
- Employees, residents and guests are required to wear face coverings inside Slater's, unless seated and enjoying a meal.
- Employees, residents and guests are required to wear face coverings inside Table & Tap, unless seated and enjoying food or beverages.
- Employees are required to observe social distancing (staying six feet away) throughout Babcock Ranch, and we highly encourage residents and guests to social distance (other than with family members, of course).
- Employees are required to stay home if they are experiencing any symptoms or illness. We highly encourage all residents to observe this recommendation, as well.
- Increased sanitizing efforts throughout Babcock Ranch remain in effect.
